The Howard County Fire and Rescue Department is seeking your help to support the Cresco Fire and Rescue Department. Our mission is simple; to provide the constituents of our district with the safest possible fire and rescue environment.

The Cresco Fire and Rescue Department is in need of fire and rescue equipment. The costs associated with this equipment are increasing faster than our budget can support. Your help is needed to help provide the much needed equipment.

Over the past 22 years over \$180,000.00 has been raised to support the Cresco Fire and Rescue Department. The money is raised through a Golf Benefit Tournament held on June 3<sup>rd</sup>, 2015. Thirty two four person teams are invited to attend. The entry fee for each team is \$50.00 per person, or \$200.00 per team.

The administrative costs for this tournament are estimated at \$1000.00, and the prize fund estimated at \$300.00. This amount will provide the green fees for the golfers, as well as the prizes. None of the administrative costs will be used for salary or compensation by any organizing member.

Please help support the Cresco Fire and Rescue Department by donating to this very worthwhile organization. Make checks payable to Cresco Firefighters. Please feel free to contact me with any questions or concerns.

Thank you,
